**Paoli Introduces Office and Conference Seating with a Contemporary Turn**

*Salano offers two week shipping on all models and Indoor Advantage™ certification*

**Orleans, IN—** Designed for general office and conference applications, the new contemporary-styled Salano executive and management swivel chairs from Paoli offer the combined benefits of good looks, comfort and affordability. Salano is a Paoli inTWO selection providing two-week shipping on all models.

**Fresh visual with a choice of functional attributes**

The clean, tailored appearance of Salano coordinates with Paoli's Ignite, Revival, Revolve and Kindle desk series. Furthermore, its versatility means that specifiers and end-users may customize Salano chairs to meet a project's aesthetic and functional requirements.

Choices include: back heights of 37" or 42" overall; tilt-swivel control or synchro control; a broad array of Paoli fabric, leather, vinyl or Graded In upholstery choices; and a base in black nylon, brushed satin aluminum or polished chrome

In fabric upholstery, Salano models meet the criteria of the ANSI/BIFMA Furniture Emissions Standard. As tested and certified under the Scientific Certification Systems Indoor Advantage™ protocol, these chairs were subjected to one of the most rigorous indoor air quality standards in the United States. SCS is one of the oldest and most trusted names in independent certification of environmental claims.

**Comfort-focused**

Paoli has a history of incorporating comfort into their chair designs and Salano reflects this consistently strong focus. The backrest cradles the user, while providing lumbar support. The design of Salano accommodates a wide range of body types and sizes. Pneumatic adjustment allows finger-tip control of seat height.

**About Paoli inTWO**

Paoli's inTWO program provides five desk series and the complete offering of executive, task, guest, lounge and healthcare seating for two week shipment. Paoli dealers can specify any model of any series offered through inTWO, with options defined in the price lists, and the products will be built to order and shipped in two weeks. Upholstery choices for seating are generous, including leather, fabric, vinyl and choices from leading mills via Paoli's Graded In program.

**About Paoli**

Specializing in office and contract furnishings, Paoli has been a manufacturer of fine wood furniture and seating since 1926. An HNI company, Paoli's mission is to create long-term product value while exceeding customer expectations. Key to the success of this mission is business simplification, continuous improvement, process and product innovation, and integrity.
