

GRADED IN FABRIC INFORMATION

For your convenience in ordering chairs with Graded In Program fabrics, the selection of fabrics has been listed alphabetically with the appropriate pricing grade. To determine the price of a particular chair with the Graded In Program fabric of your choice, determine the fabric price group and refer to the appropriate price column listed by the chair model.

NOTE: Directional covers, such as stripes, patterns and plaids may not meet your satisfaction due to contoured shapes and tufting of some models. Should you require such a selection, we will upholster as perfect as possible, but such orders are not subject to return. If in doubt, contact your customer service representative prior to placing the order.

Graded In Program FABRIC SAMPLES. If you need additional samples for presentation, contact

Maharam at 800-645-3943

Momentum Fabrics at 800-366-6839

Stinson at 800-841-6279

Mayer at 800-428-4415

DesignTex at 800-797-4949

Coral at 800-621-5250

Arc Com at 800-223-5466

CHAIR MEASUREMENTS

The following is a description of how Paoli determines the measurements for its chairs.

- Seat Height:** A three pound weight is placed on the front edge of seat. The measurement is taken from the floor to the bottom of the weight. Tilt swivels are measured from their lowest position.
- Arm Height:** Measured from the floor to top edge of arm. Measurement taken from the front of arm when the arm goes down from the front to back. Measurement taken at mid-point when arm goes up from front to back.
- Inside Width:** Distance between arms typically measured at mid-point.
- Inside Depth:** Distance measured from inside edge lower back to front edge of seat.
- Inside Height:** Distance measured from seat where it meets the inside back to top edge of back.
- Outside Width:** Distance measured at widest point of chair.
- Outside Depth:** With the outside back of chair against the wall, the distance from the wall to the front edge of seat.
- Outside Height:** Distance from floor to top edge of back.

~ inTWO - Maharam, Mayer, DesignTex, Momentum & Stinson Graded In Fabric are part of the inTWO program.

~ **IMPORTANT:** The fabric information provided was the most current information available at the time this price list was printed. Contact your Customer Service Team before finalizing any orders to check availability.
